

BASIL MUTUKU

Computer Programming Student | Full-Stack Developer | ICT Professional
basil59mutuku@gmail.com | 0110665688 | Nairobi, Kenya

PROFESSIONAL OBJECTIVE

Highly motivated Computer Programming student at Borabu Technical and Vocational College with hands-on experience in full-stack web development, mobile application development, and systems administration. Passionate about digital innovation and eager to apply technical expertise to solve real-world challenges. Actively seeking opportunities to contribute and grow within a forward-thinking organization.

CORE SKILLS

Technical Skills

- Full-stack web development (React, Node.js, Express, MongoDB)
- Mobile development (Android Studio, Java/XML)
- Desktop application development (VB.NET, Windows Forms)
- Database management (MySQL, MongoDB, MS Access)
- DevOps: Docker, Jenkins CI/CD pipelines
- Version control with Git & GitHub
- Microsoft Office Suite
- Network troubleshooting & configuration

Professional Skills

- Strong leadership and team coordination
- Effective communication (written & verbal)
- Problem-solving and critical thinking
- Adaptability in fast-paced environments
- Project management & Agile/Scrum methodology
- Self-motivated learner and innovator

TECHNICAL PROFICIENCIES

Languages:	JavaScript (React, Node.js), Java, VB.NET, PHP, HTML/CSS, SQL, PYTHON
Frameworks:	React, Express.js, Tailwind CSS
Databases:	MongoDB, MySQL, Microsoft Access
Tools & Platforms:	VS Code, Visual Studio, Android Studio, Docker, Jenkins, Git, Cloudinary, Vercel, Render
Integrations:	Brevo (Email API), TextSMS Kenya, Africa's Talking, Cloudinary, Daraja API's

WORK EXPERIENCE

Swahilipot Hub Foundation
Tech Department • Attachment

Sep 2025 – Dec 2025

Makueni County Government
Department of ICT, Education & Internship • Attachment

Sep 2024 – Dec 2024

NOTABLE PROJECTS

Shinestar Cyber & Tech Solutions — Full-Stack Web Platform

React/TypeScript · Node.js · MongoDB · Vercel · Render

- Built a full-featured cybercafe management platform with admin panel, student portal, and booking system.
- Integrated SMS notifications (TextSMS Kenya), email via Brevo HTTP API, and Cloudinary for media storage.
- Implemented certificate generation, guest enrollment flow, and forced first-login password reset.

BTTI Web-Based Admission Management System

HTML · CSS · JavaScript · PHP · MySQL

- Led a four-member Agile/Scrum team to design and propose a web-based admissions system targeting 500 concurrent users.
- Produced formal project proposal documentation and a four-sprint ProjectLibre-compatible project plan.

Borabu TTI Library System — Desktop Application

VB.NET · Windows Forms · Visual Studio

- Developed a multi-form library management system (Login, Dashboard, Trainee, Trainer, Products, Transactions) for TVET CDACC assessment.

EDUCATION BACKGROUND

Institution	Period	Qualification
Borabu Technical & Vocational College	2023-2026	Diploma in Computer Programming
Powerlearn Africa	2025-2025	Full-stack Development MERN stack
Kallest Cyber	2022 – 2023	Certificate in Computer Packages
Kaumoni Boys High School	2019 – 2022	Kenya Certificate of Secondary Education (KCSE)
Mtito Victory Hill Academy	2017 – 2018	Kenya Certificate of Primary Education (KCPE)

LANGUAGES

Fluent: English, Kiswahili
